## DEPARTMENT OF HOMELAND SECURITY

### United States Immigration and Customs Enforcement

**Agency Information Collection Activities:** Comment Request; New information collection.

**ACTION:** 30-Day Notice of Information Collection for review; Allegation of Counterfeiting and Intellectual Piracy; OMB Control No. 1653-NEW.

The Department of Homeland Security, U.S. Immigration and Customs Enforcement (USICE), is submitting the following information collection request for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection is published in the **Federal Register** to obtain comments from the public and affected agencies. The information collection was previously published in the Federal Register on November 5, 2014, Vol. 79, No. 26248 allowing for a 60 day comment period. No comments were received on this information collection. The purpose of this notice is to allow an additional 30 days for public comments.

Written comments and suggestions regarding items contained in this notice and especially with regard to the estimated public burden and associated response time should be directed to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the OMB Desk Officer for U.S. Immigration and Customs Enforcement, Department of Homeland Security, and sent via electronic mail to [oirs\\_submission@omb.eop.gov](mailto:oirs_submission@omb.eop.gov) or faxed to (202) 395-5806. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- 1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- 2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- 3) Enhance the quality, utility, and clarity of the information to be collected; and
- 4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
